

FOR IMMEDIATE RELEASE
Citigroup Global Markets Japan Inc.
November 26, 2009

**Announcement on Personnel Change in Citigroup Global Markets Japan
Management**

Citigroup Global Markets Japan Inc. (Citigroup Global Markets Japan) announced today the appointment of Deepak Jain, Managing Director, Chief Information Officer, as a member of the Executive Committee, effective November 25, 2009.

Dr. Jain assumed the role of Chief Information Officer for Citigroup Global Markets Japan in October 2009. Dr. Jain joined Citigroup Services Japan Ltd. (Citigroup Services Japan) in 2004 and served as the Japan Region Head for Citi Technology Infrastructure since 2007.

Dr. Jain began his career in the finance industry with UBS in fixed income (New York and London). His experience also includes the Asia-Pacific and Japan Chief Information Officer for Dresdner Kleinwort Wasserstein.

Dr. Jain received his PhD in Theoretical Physics from Newcastle University, UK, in 1996.
